# 1ST ANNUAL SALE

# Welcome

We welcome you to the first "High Plains Shorthorn Sale". Western Kansas Shorthorn Breeders have consigned an outstanding group of Shorthorn cattle for their first sale. Many of these cattle were consigned only because these breeders want people to know the high quality they can expect to find in these sales.

The Crocketts from Kinsley are consigning 5 bulls, 2 open heifers, 8 bred heifers and 17 cows with calves by their side. They have used many Leveldale bulls. Their present herd sires are the kind you would like to use, but are hard to find. They are sons of famous sires like Bapton Pioneer, Leveldale Richard, and Calrossie Diamond. When you see these calves you will realize the value of a good herd bull.

Joe and Don Lock, Campo, Colorado, are consigning a good, strong, aged bull, backed by Bapton Constructor, Edellyn Grand Knight, and other great sires.

Ralph E. McReynolds, Scott City, Kansas, is offering six females for this sale: 4 cows with calves by their side, 1 bred heifer, and 1 open heifer. Three of the McReynolds consignment are Polled cattle.

Glen Patterson, Kendall, is selling a two-year-old bull by a son of the great champion, Leveldale Caesar. The seven females consigned by Glen will have calves by their side or close to calving. These calves will be sired by S & T Caesar 12th or by Royal Adventure 8th, a son of Northwood Adventure.

Virgel Patterson, Kendall, has consigned nine fancy open heifers, all of which are suitable for a 4-H project. Most of these young heifers are granddaughters of Louada Chancellor, one of the top sons of Bapton Constructor. If you want a nice project for your boy or girl, look these heifers over.

BAR SIGMA FARM is offering 14 producing cows three to eight years old—most of them with calves at side, or near calving. Two are carrying the service of Green Valley Hyperbole 4th, recently purchased in the National Western Sale. He is by Kickapoo Hyperbole and out of a grand-daughter of the great Beaufort Bulldozer. Twelve are pasture exposed to Willow Wonder, grandson of Ohio champion, Willow Lee Wonder 17th. All those whose breeding dates permit will be pregnancy tested. Six of these cows are daughters of Elcona Robin Standard, a 1958 Mid-Kansas Champion, and grandson of International champion, N-Bar Prince. Three are by Springdale Challenger 16th, by the \$3500 imported Saltoun Challenger. One is by Springdale Challenger 6th, half brother to the 16th. Three are by Gregg Bounce, 1961 Kansas State Sale champion; and one is by P F Priam.

The seven serviceable-aged bulls, offered by BAR SIGMA, are the younger half of a remarkably uniform crop of calves sired by Willow Lee Wonder in 1964. They are so uniform in fact, that the buyers have practically gone right down the line in their selections as these youngsters reached serviceable age. Except for one or two standouts, to describe one is to describe them all.

You must see these cattle to appreciate the quality. Mark your calendar now for May 7th, and plan to be in Dodge City that day.

**STANDARD GUARANTEE**  
**(Recommended by American Shorthorn Association)**

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
